### Feast of the Body and Blood of Christ

At the heart of this great celebration is the reality of Christ's total gift of himself to us! Christ not only gave his life on the cross for our salvation, but continues to give himself completely in the Eucharist. This feast is also a reminder that through Christ we are intimately connected to one another as members of his Body. If Christ is willing to give himself to all of us, saints and sinners, what sacrifice for others are we willing to make? Are we willing to give of ourselves for those in need: the poor, the imprisoned, the unborn, the undocumented immigrant, the refugee, the homeless stranger?
